HOUSING UPGRADES – The basic tuition includes a single bed in a 2-person dorm room. There are some single dorm rooms, huts and cottages (see camp website for details), which will be assigned on a first come, first served basis. Since the University charges us more for these, we have to collect the extra amount from students, as follows:

Single dorm room	add \$35.00
Single hut (no increase for couples)	add \$65.00
Single bed old cottage	add \$95.00
plus another in same bed	add \$35.00
Single bed newer cottage	add \$125.00
plus another in same bed	add \$35.00

Please send a separate check for the housing upgrade you want. If the upgrade is no longer available we'll send your check back to you within a few days. See the "Housing" page on the website for more information.
